Students who wish to complete the #4 Thesis course as a Part B elective as ECON7930 (single semester) or ECON7933 (year-long commencing in semester 1) or ECON7934 (year-long commencing in Semester 2) should complete both pre-requisite courses prior to enrolling, i.e. ECON7310 Elements of Econometrics and ECON7950 Research Methods in Economics. Further information is available from the Course Profile (ECP).

Not all courses are offered every semester and/or every year. Check courses offerings prior to enrolling.
