Program Code: 5399

Structure for 2 year (32 unit) & 1.5 year (24 unit) programs (from 2024)

It is important that you read and understand the following information.

To be eligible to enrol in the **Master of Economics (32 units)** you must satisfy the entry requirements as outlined in the program rules for either the 2 year – (32 unit) program, or for the relevant discipline entry for the 1.5 year – (24 unit) program.

The following information is designed to help you plan your enrolment. Please note it is intended as a guide only; you should check the scheduling of courses each semester.

Students should be aware of the University of Queensland policies and rules which govern the conduct of UQ programs. These may be found on the [UQ policies and rules](#) page on the [my.UQ website](#). Further information can be found on the Courses and Programs website:

https://my.uq.edu.au/programs-courses/program.html?acad_prog=5399

If **Exemptions** apply for Core or “Plan/Field of Study” courses, students are to undertake Program Elective courses instead. Exemption does not reduce the number of courses or units required to be completed.

The following are suggested study plans only. There may be other ways to plan your progression through this program. The study plan ensures pre-requisite courses are completed first. Students should not attempt courses where they have not completed the UQ pre-requisite(s) or an alternative comparable course completed at undergraduate or postgraduate level.

Students who wish to complete the #4 Thesis course as an Elective as ECON7930 (single semester) or ECON7933 (year-long commencing in semester 1) or ECON7934 (year-long commencing in Semester 2) should complete both pre-requisite courses prior to enrolling, i.e. ECON7310 Elements of Econometrics and ECON7950 Research Methods in Economics. Further information is available from the Thesis Course Profiles (ECPs).

Note: All courses may not be offered every semester and/or every year. Semester of offer could change. Check courses offerings prior to enrolling.

You are not required to submit a program plan for approval. However, if you have any questions or concerns about meeting degree requirements, please contact the School of Economics at: econ.pgrad@uq.edu.au.
