Application for Approval of ONE Non-Scheduled Elective
for Credit to a Postgraduate Coursework Program

Please read all instructions before completing and submitting your Application.

The deadline to submit an application for approval is by Friday prior to Orientation Week. Applications should be submitted & approved BEFORE enrolling in a non-schedule elective. *Please note that a retrospective application may NOT be approved.*

Non-scheduled elective approval is subject to any other course entry requirements being met. If the course is restricted or Head of School approval is required, it is the student's own responsibility to seek approval from the other School for enrolment in the Non-Scheduled Elective.

It is a student's own responsibility to check that they have the necessary pre-requisite courses (if any) and they enrol at their own risk.
