Students who wish to complete the #4 Thesis course as an Elective as ECON7930 (single semester) or ECON7933 (year-long commencing in semester 1) or ECON7934 (year-long commencing in Semester 2) should complete both pre-requisite courses prior to enrolling, i.e. ECON7310 Elements of Econometrics and ECON7950 Research Methods in Economics. Further information is available from the Course Profile (ECP). **Not all courses are offered every semester and/or every year. Check courses offerings prior to enrolling.**
